WHAT IS THE DUGOUT CLUB?

The Georgia Highlands College Dugout Club is instrumental in providing external funding and sponsorship to the Charger baseball program. These funds will provide the opportunity for Georgia Highlands College baseball to make enhancements to our facilities, supply additional funds for our spring season budget, as well as provide scholarship opportunities for student-athletes, and supply us with necessary baseball equipment to help improve our program. An investment in Georgia Highlands College baseball will improve and strengthen the experiences of current and future student-athletes, as players, coaches and fans continue to build a program that is committed to being the best it can be, both on and off the field.
